Payment terms

Invoices must be paid in advance and are due on the 1st of the care month. In the event of late payment, the details set out in the fee regulations apply.

Termination conditions

The mutual notice period is two months and is possible at the end of any month. Termination must be made in writing, by letter or email. The notice period also applies to reducing the level of care as well as transferring to another KiBiZ childcare offering (another daycare centre or day family). Details are set out in the fee regulations.

Canton allowance & childcare vouchers

The Canton of Zug supports parents with a directly paid contribution towards daycare costs. Whether you are entitled and how registration works can be found at <http://www.zg.ch/kantonspauschale>.

In addition, support through childcare vouchers may be available in your municipality of residence. Please enquire directly with your municipal administration.
